SURFACE TREATMENT FOR BIRD DETERRENT AND CONTROL

Cyndan Bird Ban Liquid is a non acidic, non toxic liquid which dries clear and is almost undetectable to the naked eye. It repels birds such as pigeons, starlings and sparrows.

Cyndan Bird Ban does not harm birds rather, it's tacky formulation makes birds feel uncomfortable and insecure and stops them from roosting and nesting, thus preventing their highly acidic droppings from damaging and contaminating property.

It is long lasting and is weather resistant. Use in areas where birds are a menace and health hazard, such as; outdoor cafes, food courts, building facades & ledges, factory & storage facility roof beams, sills and anywhere birds are a problem.

Bird Ban is easy to apply and lasts for months.

Recommended Use: for larger areas and uneven surfaces where a liquid rather than a gel is the most efficient means of application.
